Dear Ms. Puckett,

This is to acknowledge receipt of your Letter of Protest/Comments to the Public Service Commission of South Carolina. Your Letter of Protest/Comments will be placed in the Protest File of the Docket listed below and on the Commission's Website at www.psc.sc.gov.

- Docket No. 2017-292-WS - Application of Carolina Water Service, Incorporated for Approval of an Increase in Its Rates for Water and Sewer Services

A Protestant is an individual objecting on the ground of private or public interest to the approval of an Application, Petition, Motion or other matters which the Commission may have under consideration. A Protestant may offer sworn testimony but cannot cross-examine witnesses offered by other parties.

According to the Commission's Rules of Practice and Procedure, filing a Protest does not make you a Party of Record. A Protestant desiring to become an Intervenor (i.e., a Party of Record) in a proceeding before the Commission may file a Petition for Intervention within the time prescribed by the Commission.

You can follow this Docket and other daily filings made at the Commission by subscribing to the Commission's Email Subscriptions at this link: <https://dms.psc.sc.gov/Web/Email>; or you can also follow Docket No. 2017-292-WS at this link: <https://dms.psc.sc.gov/Web/Dockets/Detail/116450>.

If we may be of further assistance to you, please do not hesitate to contact us.

Sincerely,

Deborah Easterling

1. What is your connection or interest in this case? * For example, are you a customer of the Company that is the subject of this pending proceeding? (This section must be completed. Attach additional information if necessary.)

I'm a customer of this company and a Clover/Lake Wylie resident who will be impacted from projected water increase.

2. Please give a concise statement of your protest. * (This section must be completed. Attach additional information if necessary.)

As a customer I am protesting an increase to our water rate. We are already over charged by your company being you purchase the water from the county we live in, York, and then turn around and charge residents a higher rate to sell us back (supply) the same water. In all honesty we should be buying our water from York county water and your middle man company should be cut out of the equation completely. I pay twice as much for water now as I did living in Mecklenburg county. Unacceptable.

3. Do you wish to make an appearance at a hearing in this proceeding , if scheduled, and offer sworn testimony? *

If required.
